Subject Request for appointment Wednesday Dec. 17

Gentlemen, Mr. Korpalski, Mr. Young, Mr. Dittrich,

as I had mentioned earlier I was planning to come to the transportation committee meeting on Dec. 03 with more of the Rakow Road petitions however checking the Website I saw that it was cancelled and I also received a message from Dan Shea that he will no longer be the chairman.

In light of the above I am planning on attending the meeting on Dec. 17.

Please allow me the following questions and requests.

1. Do you know who the new committee chairman will be or when that will be decided? The County Board Website does not show an update.
2. **Would it be possible to meet with one of you after the Dec. 17 meeting as I will be out at you offices anyway and it would save me a trip.**

I would like to discuss the following:

- 2.1 **Rakow Road** status of planning and status of petition (count is now over 300). Do you want me to submit again by mail or shall I bring them Dec. 17?
 - 2.2 **Walkup**. As far as I can tell there is a good plan in place for that. Could you let me have a look at the current plan (a map would be most useful) and give me a quick update.
 - 2.3 What **other road projects** are in the planning, making or will be coming up for the future? What are the plans for non motorized traffic?
 - 2.4 **Randall**, as it is the continuation of Rakow, what are the plans?
3. If the above does not work for either of you please make an alternate suggestion for this year at any day of the week and any time of the day and I will try to make the meeting.
Please give me 2 of 3 options.
If I am in town I will come but I still have some travels coming up this year.
 4. When can I expect an answer to the letter that accompanied the petitions?

Please give me feedback at your earliest convenience so that I can make my plans.

Regards, Eberhard Veit
